President's Message

To our Public, our Competitors, our Sponsors, our Staff and our army of Judges and Volunteers,

Welcome all and a special welcome to the City of Casey, who support us in our endeavours. A very big welcome to our 174th Show. It's been a testing time for all of us over the past couple of years, but we are back into a positive direction and hopefully we can present a Show that we can be proud of.

The Berwick Show is one of the single biggest events in the City of Casey with a very rich history. This year our committee has adopted "We Are One", to welcome everyone and bring together many organisations for your enjoyment and enlightenment. We hope you enjoy the many facets of our Family Show as we enjoy bringing it to you for your entertainment and enjoyment.

Happy Showing,
Warwick Glendenning

President, Berwick and District Agricultural and Horticultural Society Inc.
